

PEAK Accessories EOL Announcement

For Release on 9th June 2010

PEAK announces to end the productions of those items listed below, they are:

- *PEAK USB 2.0 High-speed 4-port Hub*

This announcement will be effective from June 2010.

The warranty for those items above will terminate at the end of May 2012, two years after the product EOL (End of Product Life).

- All PEAK Accessories are covered by a 2 year warranty since the date of manufacturing out of factory. Local warranty may depend on the offers of distributors/sellers. Users can request warranty from PEAK if no local service provided. For more detail, please check [PEAK RMA Policy](#).

- Additional Remark

1. Due to ongoing technology, in case of the discontinuity of any product, PEAKHARDWARE will be unable to repair the product, and therefore will replace the product with a comparable one.
2. PEAKHARDWARE reserves the right to decide on an exchange for a product of similar or equivalent specification.
3. PEAKHARDWARE has the right to change or modify its warranty policy statement without further notification.

– END –

Appendix:
